HOW IT WORKS

This passport is your ticket to discovering the 38 farms participating in this year’s Open Farm Day, brought to you by the Agricultural Economic Development Program at Cornell Cooperative Extension of Madison County. On Saturday, July 27, from 10am to 4pm, we invite you to visit the farms listed in this passport and explore Madison County’s fantastic array of local agricultural enterprises. All you need is an Open Farm Day passport and a cooler to bring home tasty local foods!

This passport is divided into four regions with numbered stops to clearly indicate the location of Open Farm Day participants. Open Farm Day stops can also be viewed on our mobile-enabled website at OpenFarmDayMadisonCounty.com. For your convenience, “Open Farm Day Stop Here” signs will be posted at each location for easier navigation. Each year, different farms participate, so please be sure to check out which farms are involved this year!

Farms offer a variety of activities such as tours, rides, free samples and animal interaction! To help plan your day, please read the farm descriptions. You may use the symbols at the bottom of this page as a guide to know what unique offerings each farm has. On the website, you can also search by each category (for example, animal interaction). When visiting a passport destination, present your stamp card on page 2 to receive a sticker. Collecting three or more stickers and filling out the visitor’s survey on page 4 will earn you this year’s prize – an insulated shopping tote! To collect your prize, simply show the farm your three stamps and turn in your completed survey. Prizes are available while supplies last. To ensure supply, we ask that each family take only one prize.

For more information on Open Farm Day and passport availability, please visit OpenFarmDayMadisonCounty.com or “Like” Open Farm Day on Facebook for the latest Open Farm Day news.

Open Farm Day Etiquette:
- Pets are not allowed on Open Farm Day farms.
- Please take only one insulated shopping tote per family.
- Please do not stray on farms; stick to designated visitor areas and exercise reasonable care regarding disclosed risks.
- Please follow all posted rules of conduct at specific operations and do not willfully remove, deface, alter or otherwise damage signs or other personal property.

2 BROWNSON FAMILY FARM

8149 BRIDGEPORT KIRKVILLE RD, KIRKVILLE, NY 13082
Brownson Family Farm is a small family run farm specializing in homegrown produce. Nestled on the fertile banks of the Chittenango Creek, our farm boasts delicious fruits and vegetables. At the farm we grow numerous greens including many types of lettuce, swiss chard, collard greens, kale and more. The tomatoes, peppers, cucumbers, green beans, zucchini, yellow squash, beets all reap the rewards of our fertile soil. The sweet corn alone is worth the drive out to the farm. While at the farm take some time to look over the many jams, jellies, preserves and mustards we have in stock.

6 SALT CITY HARVEST FARM

449 FYLER ROAD, KIRKVILLE, NY 13082

Salt City Harvest Farm (SCHF) is a community farm with a great variety of produce grown by New American refugee farmers. Here you will find tomatoes next to Asian long beans, or watermelon next to bitter melon or a great variety of chili peppers all of which reflect the cultural heritage of groups from Bhutan, Congo, Somalia, Eritrea and Burma who now are part of the New American community. The farm provides training for New Americans to develop their own farm operation. There is also an orchard and small vineyard to stroll through. SCHF is a non-profit organization.

7 FOOTHILLS FLOWER FARM

6262 PERRYVILLE RD, CHITTENANGO, NY 13037

Our farm is a unique combination of a working flower farm and greenhouse/nursery business. We grow annual and perennial flowers for fresh cutting. We retail fresh flowers along with potted perennials, combination planters and hanging baskets. We also custom grow for and sell to other retailers such as florists, restaurants, event venues and event coordinators. We have display gardens for sun, shade and in between. We offer on-site landscaping consultations. Our farm is also home to On A Fence Designs and Rentals, which rents green and flowering plants, trees and other props for weddings, graduation parties, anniversaries, etc. We deliver and set up at most venues including tents, barns and others.

11 LOOMIS MAPLE HOMESTEAD

79 NORTH STREET, MORRISVILLE, NY 13408

Our family has produced maple syrup for over one hundred years and the tradition continues at our farm. Sap is collected from the trees with traditional buckets as well as a modern vacuum pipeline system. We recently completed an ecofriendly upgrade to our production facility, which includes a reverse osmosis system and a new evaporator, cutting our total energy consumption in half. In addition to maple syrup, we produce a variety of other maple products - candy, cream, jelly and granulated sugar. We sell homegrown beef by the half, quarter, and individual cuts, including hamburger with no additives. Come visit our sugarhouse where you can learn about making maple syrup!

18 FRUIT OF THE FUNGI

5779 LEBANON CENTER ROAD, LEBANON, NY 13332

Fruit of the Fungi is a certified organic, small family mushroom farm located in Lebanon, NY. In 2007, we cultivated our first shiitake logs and in 2015, we completed an indoor facility and began growing multiple varieties of specialty mushrooms on hardwood blocks. There will be tours through our outdoor yard, as well as our indoor grow room. We will guide you through the process of growing specialty mushrooms and discuss why mycelium is vital to our world. Free tours will be ongoing all day. Fresh, dried, and powdered mushrooms will be available for purchase. We will also have teas and grow your own kits available.
